

Dear collaborators,

It's with great emotion that we are announcing today the departure of someone who has led our company to great heights. Pierre Moulin will be retiring on June 30th 2021, and making way for a competent and dynamic new generation. We are thankful for his extended expertise and his contagious passion, which he has passed on to the management team throughout his career. This legacy is a key element in the company's growth.

As of June 30th, he will be replaced by Maryse Sauvé, a current partner and Vice-President of Sales. Maryse's dynamic vision will continue to contribute to the accelerated growth of the organization. Her goal is to continue to expand our portfolio of products and develop new markets.

An impressive career tinged with passion

Maryse Sauvé has been working for Atmosphäre for over 26 years. She started as an administrative assistant and has risen through the ranks to the position of President through hard work, caring, and a desire to make a difference in the development of public recreational spaces in Québec. She is the first woman to lead the company, but since the age of 5 this born entrepreneur has been telling everyone that she wanted to lead a business someday! Now that it is mission accomplished, the challenge to pursue the expansion is even more stimulating!

New management, same mission!

Atmosphäre's mission is still the same, to provide children and others who use our public spaces unique experiences by creating stimulating, innovative living areas that exceed our clients' expectations and push back the limits of the industry.

"My goal is to reach new heights for everyone involved with our company! Similarly to our mission, I want to offer a positive environment where our employees can develop in a stimulating and innovative setting to reach their full potential," Maryse Sauvé stated.

The business's strong growth will involve major hiring efforts over the next few years, acquisitions and the development of new markets. These new resources will join a solid team that has grown even closer after an unusual year like the one we have just experienced.

Thank you for the confidence you have shown in us over the years. We hope to work with you again very soon.

Sincerely,

- The Atmosphäre Management Team
